

WATER DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE

The HARRIS COUNTY M.U.D. #105 will hold a public hearing on a proposed tax rate for the tax year 2024 on November 11, 2024, at 6:00 p.m. at 777 North Eldridge, Suite 500, Houston, TX 77079 or by video conference: <https://tinyurl.com/HC105Nov11Meeting>. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

NOTICE OF TAXPAYERS' RIGHT TO ELECTION TO REDUCE TAX RATE

If the district adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, the qualified voters of the district by petition may require that an election be held to determine whether to reduce the operation and maintenance tax rate to the voter-approval tax rate under Section 49.23603, Water Code.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
